**ORDER**

The court is in receipt of counsel for Mr. Orlando's request for clarification "on an issue regarding Count VI of plaintiff's complaint." ECF No. 200. In response to that request, and because Mr. Orlando's current counsel was not present at the hearing conducted in this matter on July 9, 2024, ECF No. 159, the court **DIRECTS** the official court reporter to prepare and docket the pages of the transcript for that hearing pertaining to the instant case against defendants Rebecca Neal and Bristol Neal.

The transcript of the July 9, 2024, hearing provides sufficient information to new counsel for plaintiff regarding the basis for the Order entered on July 11, 2025, ECF No. 160, as to which counsel seeks clarification. As such, the motion for pretrial conference, ECF No. 200, is **DENIED** as moot.

Further, for the reasons stated on the record at the pretrial conference held on February 5, 2025, plaintiff's motion for an extension of time, ECF No. 195, is **DENIED**. If the case does not resolve at the settlement conference scheduled for February 10, 2025, it will proceed to jury trial on Tuesday, February 11, 2025, in Harrisonburg.

It is so **ORDERED**.
